

MONITORING, EVALUATION, ACCOUNTABILITY AND LEARNING FACE-TO-FACE

Join us for a 10-day enriching experience that combines theory, practice, and hands-on learning in a vibrant face-to-face setting. Specifically designed for development professionals, our MEAL is a fundamental course to enhance the effectiveness of programmes run by NGOs, governments, UN agencies and private sector organisations.

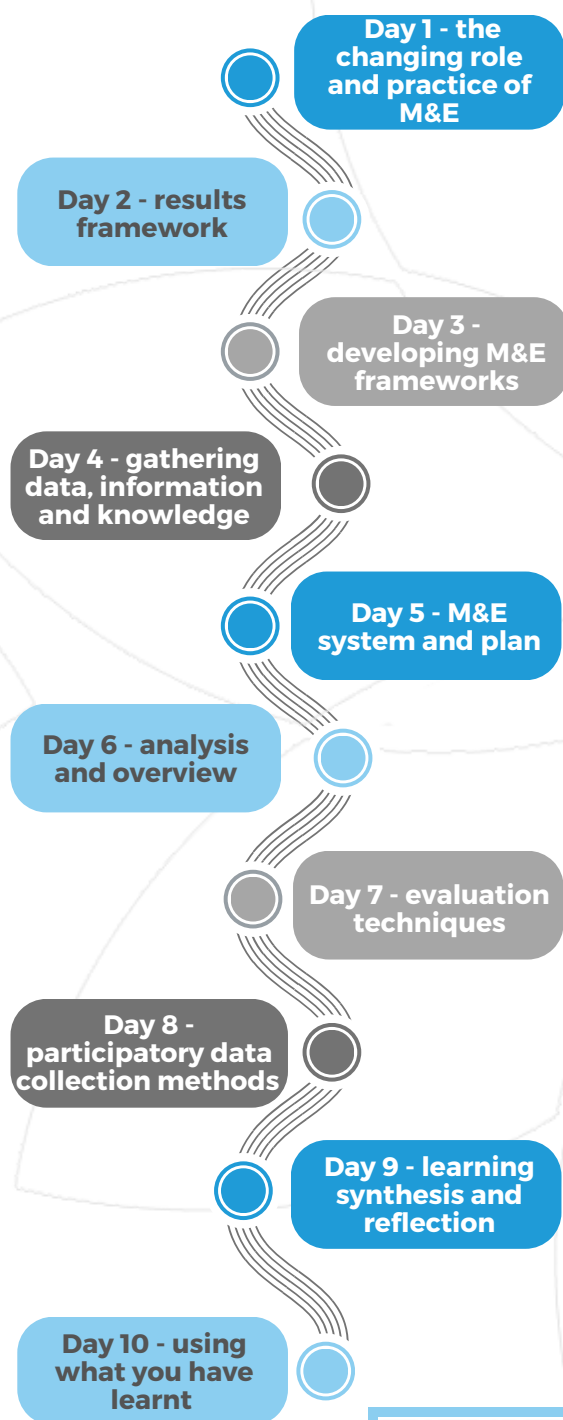

“ *Very transformative experience. This course provided me loads of knowledge and practical skills that I can apply in my work. The facilitators were incredibly knowledgeable and engaging in a very supportive learning environment. Thanks to all IMA colleagues and especially our facilitators for making this possible to us!* ”

**Shpend Emini, MEAL
Brighton Alumni**

HIGHLIGHTS

- **Live case study:** practice data collection at a local organisation
- **Forward-thinking plans:** develop MEAL plans for organisational learning and positive behaviour change
- **Networking:** engage in networking and peer-learning with fellow development workers
- **Participatory methods:** master participatory methods for data collection, and to enrich your MEAL
- **Digital innovation:** explore innovative digital methods, and how these may change the MEAL landscape
- **Personalised mentoring:** a follow-up session with our facilitators at least 3 months after completing the course
- **Award and accreditation:** after completing all course criteria you will be awarded with a certificate of your achievement
- **The full certificate:** extend your course to complete the Certificate in International Development Management
- **Flexible learning:** swap your first 5 days in-person with our online course for more flexibility, then join us in-person for week 2
- **Plant a tree:** For each participant enrolled on our course, IMA International contributes a tree to our ecology partners.
